

Bickford Park Improvements Open House

**Saturday, February 7
1:00pm-3:00pm**

Bob Abate Community Centre – 485 Montrose Ave

Dear Neighbours,

Thank you once again for participating in the consultations on Bickford Park. All of your feedback has proven invaluable to the process, and toward creating a better park. At the outset, our stated intention was to ensure that everyone who used the park would benefit from the proposed improvements and we are very close to realizing these goals.

Since the last time we spoke, City staff have been hard at work with our hired consultant, putting into place the recommendations that came from our extensive consultation process. These detailed designs will be available shortly and presented at the open house on February 7.

If you are unable to attend the open house and would like to receive a digital copy of the plans, please write to me at councillor_layton@toronto.ca. If you have any questions, please do not hesitate to e-mail or call my office at 416-392-4009.

Yours in community,
